ABOUT C4U

C4U is our Learning Management System (LMS) which is used to access the Connect for Health Colorado certification training program. It is designed to give individuals essential knowledge and skills that will enable them to provide assistance to Coloradans enrolling in the Marketplace. Certification is required annually, and training modules are refreshed as needed annually. The annual certification periods are timed with the annual Open Enrollment Period. After becoming certified, learners can return to the training curriculum to refer to at any time. The LMS also has a resource library with additional learning aids.

REQUIREMENTS TO BECOME CERTIFIED OR MAINTAIN CERTIFICATION

To complete the certification program, all individuals must complete all of the following components:

Sign Agreements

Depending on your role, there will be some documents that you will need to sign electronically. After carefully reading each agreement, you will need to select the “Sign” button to confirm your signature.

Online Classes

Online classes consists of a set of essential modules/videos. To complete a module or video, individuals must go through each section and take the quiz at the end with a passing score of 80% or higher. Online classes and quizzes can be taken an unlimited number of times.

Certificate

Once the above requirements are complete, access is unlocked to an official certificate that can be viewed and saved. This certificate is accessible at any time and required as proof of the certification program.
